

Customer Loyalty Program

We value our clients and customers, and appreciate your loyalty! It is for this reason we now offer a “Customer Loyalty Program”, an incentive plan that says “thank you” for entrusting us with your documents and choosing us as your legal resource. This program works as follows:

For every **one routine service of process** we do for you, you will earn 1 point. You can accumulate as many points as you wish and cash them in for gifts cards at any time.

For example, after you have accumulated at least 5 points you may choose a \$25 gift card from the list below. Denominations of the gift cards are \$25 and \$50. Gift Certificates can be any amount.

We will regularly be adding more gift cards for you to choose from including gift certificates from local merchants.

Signing up is easy. Fill out the information form on the last page and we’ll keep track of your points and keep you updated on your total. Contact us at any time when you would like to redeem your points and we will get your reward to you promptly.

Again, this is our way of saying “thank you”!
